

# FEN

# SEPTEMBER 2009

**BOOKING DEADLINE:** 28 July 2009

**MATERIAL DEADLINE:** 4 Aug 2009

## Product Highlights

### MACHINING

This section will encompass every aspect of machining from the start of the process to its finish.

### SENSORS AND INSTRUMENTATION

A myriad sensors and instrumentation tools on the market that help manufacturers fine tune and perfect their processes.

### WASTE MANAGEMENT

Ensuring the environmentally sound management of waste can be tough for small businesses as well as the big ones. *FEN* will highlight the systems and products available in the market to help you manage waste responsibly.

### FLUID HANDLING

The latest products to cover the fluid handling range will be highlighted this month.

### COMPUTERS

*FEN*'s monthly computer section keeps readers up-to-date with the latest trends in software and hardware.

### NEW PRODUCTS

Have new products that don't fit into September's categories? No problem. The New Products section covers the latest from the entire industry.

### MyFEN.com.au

The *FEN* website is the perfect complement to the print version. Each weekday, it is updated with products and the stories behind them.

### SUBMIT YOUR EDITORIAL

If you have products you'd like to see highlighted in *FEN* magazine, submit 200 words and a high-resolution, 300 dpi .jpg via e-mail to editor Catherine Pickavet at [myfen@reedbusiness.com.au](mailto:myfen@reedbusiness.com.au) or call (02) 9422 2478.
